

About As

Founded in 1998 through the collaboration of reputable organizations engaged in trade within Turkey and globally, EMES A.Ş. has quickly established a strong brand identity. Today, the company offers over 8,000 standard product varieties, demonstrating the ability to compete at a high-quality level in both domestic and international markets.

Our vision is shaped by our continuously renewing dynamic structure, aiming to be the preferred, high-quality, and reliable brand in national and global markets. Thanks to our extensive dealership network across Turkey and our broad sales network abroad, we export to over 65 countries, primarily in Europe, the Middle East, Africa, the Balkans, and Central Asia.

Our modern facilities are established on approximately 10,000 m² of covered area, where we operate with a trained technical staff. We integrate customer satisfaction into our company's quality policy, aiming for high standards at every stage of our products. EMES A.Ş. is distinguished as the first company in its sector in Turkey to hold the DIN EN ISO 9001:2015 certification. Our mission is to closely follow industry developments and incorporate them into our quality policy, offering reliable, high-quality, and aesthetically designed products in collaboration with our employees. We aim to provide solutions and services tailored to our customers' specific sectors, ensuring their needs are met in the best possible way.
